AWARD WINNING CAMPS, CLASSES AND PRODUCTIONS AT KIDSACTING

Austin's Longest Operating Performing Arts School. Established 1980!

SPRING 2025

kidsActing has NEW & EXCITING CLASSES for you this spring!

Since 1980, we have provided a safe, supportive, fun environment where young people can be creative, expressive, and develop their communication skills--traits that improve school performance and enhance a person's life. Each child learns to strive for individual excellence which is important in realizing one's full potential. At the same time, theatre is a team sport where students develop important skills that serve them in school, relationships, and throughout their lives, leaving them with a strong work ethic, sense of responsibility, and lasting self-confidence.

Each class is age appropriate; the level of work changes depending on the age of the class so students are encouraged and challenged. The emphasis within a class varies each semester and the work is always different, thus repeating a class is encouraged to broaden a student's experience.

Most of all, our camps & classes are FUN!
